Dear Mr. Scully:

At a meeting of the University Settlement held on Tuesday night it was unanimously resolved to ask you to act on the Board of Directors in place of a member who has withdrawn. I hope that you will be able to do this.

I am,

Yours sincerely,

President.

President R. A. Falconer,
University of Toronto,
Toronto -

Dear President Falconer:-

I have your letter of the 12th. and appreciate very much the honor the University Settlement have done me in electing me to the Board of Directors.

I will be very glad indeed to do anything I can to help the Settlement, and if you feel that a member of the Board will be of service who will be away perhaps a good deal during the next few months I will be glad to accept the appointment. It looks as though I might have to do quite a little travelling during the next two or three months, which would interfere with the time I could put on Settlement work. If, therefore, there is some one else available, who is in the City steadily, it might be better to elect him in my place.

Yours faithfully,

H. D. Sculley
